Michael Brune, Executive Director, Aaron Mair, Board President, San Francisco Bay Chapter

I am a member of the San Francisco Bay Chapter of the Sierra Club. I am writing to inform you that:

- I am opposed to the destruction of all non-native trees in the San Francisco Bay Area.
- I am opposed to the use of pesticides in public parks and open spaces.
- I ask that the Sierra Club withdraw its legal suit demanding the destruction of all non-native trees on over 2,000 acres of public property in the East Bay Hills.
- I ask that the Sierra Club stop advocating for deforestation and pesticide use in the San Francisco Bay Area.
